What they say?

This is one of the most entertaining thrillers of the year and the fantastic Downey Jr. and Law are a big part of the reason why. They take top honors as the year’s best bro-romance, arguing like an old married couple while deep down knowing that they’d be lost without each other.

Downey Jr. brings quick-wit, cunning, and a scruffy toughness to a role long seen as stuffy and dry, while Law a distinguished charm that, at times, spills over into testy aggressiveness. Both toss off the one-liners with ease.
